Hahnemühle - Daguerre Canvas

400 gsm · Poly-cotton · bright white
Matt coated, poly-cotton inkjet canvas with a fine, uniform surface texture. The bright white canvas is characterised by its high degree of whiteness. When combined with the premium matt inkjet coating, it produces clean, fresh colours, fine details and black & white reproductions that are rich in contrast. Ideal for mounting on canvas stretcher frames.
Canvas is sprayed with museum grade satin finish
Acid- and lignin-free.
ISO 9706 conform / museum quality for highest age resistance.

Hahnemühle - Photo Rag

308 gsm · 100% cotton · white
One of the world's most popular papers and valued for high quality FineArt printing. The white cotton artist's paper, with its characteristic, wonderfully soft feel, lending each artwork a three dimensional appearance, this paper produces outstanding prints that feature brilliant colours, deep blacks, striking contrasts and perfect reproduction of detail, beautifully defined felt structure. Acid- and lignin-free.
ISO9706 conform / museum quality for highest age resistance.

Hahnemühle - German Etching

310 gsm · 100% α-cellulose · white · genuine mould-made
Traditional mould-made copperplate printing paper, designed especially for FineArt applications. The white art paper made from 100% alpha cellulose is characterised by its extraordinary velvety tactile feel and its fine, clearly defined felt structure. The unique surface texture adds a very special touch to images, with impressive three-dimensional effect and depth. Outstanding print reproduction of colour and detail, deep black and optimum contrasts. This heavyweight FineArt paper is one of the most popular papers for FineArt prints and art reproductions thanks to its characteristic tactile feel and surface texture. Acid- and lignin-free.
ISO 9706 conform / museum quality for highest age resistance.
